Secondary Colors

The brand's secondary color palette is made up of two colors: Power Storm, which represents HP's technology and future innovation, and Orange Bloom, which highlights action and creativity.

Power Storm

R86 G131 B147
HEX 568393
C70 M38 Y34 K4
Pantone 2212C

Technology/Future

Storms embody the power of nature, discharging electrical energy and evoking a culture of courageous pioneering. Just as our first steps on the moon have inspired generations, our color reflects the relentless effort to advance technologies and shape the future.

Orange Bloom

R255 G80 B80
HEX FF5050
C0 M84 Y65 K0
Pantone 178C

Action/Creativity

Orange Bloom awakens creativity and inspires individuals to flourish, encouraging us to embrace our unique perspectives and cultivate a more inclusive community that blooms together toward a brighter future.
